

Policy and Requirements for Student Drivers

Any student that holds a valid license who intends to drive to Pathways, either on a regular basis or occasionally, must comply with the Pathways policy and is required to complete the Parent Permission and Student Agreement Form.

Pathways Requirements

1. Students are required to adhere to all road rules and drive in a safe and responsible manner.
2. Students are only to use their car for travelling to and from Pathways. Students are not permitted under any circumstances to drive from Pathways during the day unless the parent has notified the program director via a written note, dated and signed. A text or email to the program director is also acceptable.
3. Students may only park in the designated parking area which is in the front of the building.
5. Students are not permitted to carry other students as passengers to and from Pathways without the written permission of their parent/guardian and the passenger's parent/guardian before classes start for the day. This permission may be given via text or email but must be given by both parents.
6. Parents/Guardians are required to notify Pathways of any passengers, including siblings, who may be traveling with their student driver to and from Pathways on a regular basis.
7. Student drivers, a parent/guardian and, if relevant, the parent/guardian of any passenger, must sign the Parent permission and Student Agreement Form.
8. Appropriate sanctions will apply where students fail to meet these obligations. Any breach of these requirements could result in loss of privileges.
