

You are invited to join us for a Spanish Immersion Class! 2018-2019

WHO

Is facilitating?

Heidi Ekster

ekster.pathways@gmail.com

WHOM

Is being invited?

High school students in Spanish I, II, or III

WHEN

The 2018-2019 School Year

Where

Pathways for Scholars

WHAT

The students in this class will be studying Spanish through the use of DVDs from BJU Press. The facilitator will provide lesson plans setting the pace for your child's learning this year. The facilitator will also send home supplementary items to enhance your child's learning experience. The facilitator will provide opportunities for your child to converse with other students using Spanish in class. She will also provide hands-on activities to actively engage your child in the use of the Spanish language. She will be available to answer questions for the lessons. While the parent will be grading the homework assignments, the facilitator will grade quizzes, tests and writing assignments. The teacher will administer a midterm and a final exam for this class. The students in this class will receive two progress reports for this class, one per semester.

HOW

Will this class be unique?

The Spanish Immersion Class is designed to create an environment in which the students will be immersed once a week in the Spanish language with their peers through conversations and activities including games, scavenger hunts, crafts, cooking, and various challenges.

The students will meet once a week at Pathways where they will communicate in class in Spanish completing creative activities with directions given in Spanish.

Students will work through different tasks and challenges communicating in Spanish only.

This class was created to be fun and challenging for students in various levels of Spanish.

¡Espero verte pronto! I hope to see you soon!

Fees: Spanish Immersion Tuition- \$150.00 per semester

This course is being offered through Pathways for Scholars which is a cooperative of Vine and Branches Home Educators. In order to take this class, families must be support members of VBHE. In addition the registration and building fees for Pathways for Scholars also apply.
